

## **WORK SESSION AGENDA**

Cochran City Council  
Tuesday, September 13, 2016  
Work Session Meeting @ 6:00 PM

1. Consider adopting a Water Use Restriction Ordinance provision that conforms to Georgia EPD requirements.
2. Consider acceptance of the \$305,903 federal grant from the FEMA Fire Fighter Grant Assistance Program for 40 SCBA air packs, personal protective equipment and training. The City's match is budgeted at \$15,296.
3. Consider adopting Resolution to purchase an Animal Control Truck and authorize a loan through the Georgia Municipal Association to finance such purchase.
4. Consider adopting a composite Resolution to authorize that loan financing for certain capital purchases that will occur through the GMA lease-purchase program.
5. Consider adopting a two (2) year strategy for paying off the remaining \$378,000 in General Fund assets that are owed to the 2007 SPLOST Fund.
6. Consider approving an annexation strategy for annexing County islands into the City, and to authorize staff to proceed with scheduling Zoning Committee Hearings for such proposed island annexations.
7. Consider approving a contract to Allied Corrosion Industries, Inc. from Marietta to replace the natural gas ground bed on East Dykes Street for a contract price of \$18,820.
8. Consider amending the Utility Ordinance to require that a property owner in the City whose property is within 200 linear feet of a City water line cannot drill a new well on their property for potable water use; and a commercial property owner who can be served with gravity sewer in the City cannot install a septic tank for sanitary sewer purposes.
9. Upcoming holidays.
