

WORK SESSION MINUTES

Cochran City Council
Tuesday, October 13, 2015
Work Session Meeting @ 6:00 PM

1. Proclamation for the Pilot Club of Cochran.
Mayor Stoy will read a proclamation at the 7:00 pm meeting declaring October 15, 2015 as Pilot Club Day.
2. Public hearing on solid waste collections.
Advanced will be at the 7:00 session to discuss the automatic side load garbage truck. A video will be shown demonstrating how the truck operates.
3. Second amendment to the exclusive contract for solid waste collection service between the City of Cochran and advanced Disposal Services Macon, LLC.
4. Louis Abbott with Cochran Insurance.
Mr. Abbott will provide information on the renewal rates for the City's liability insurance, worker's compensation, etc.
5. Ordinance governing the commercial garbage or dumpster rates.
Commercial garbage rates will be adjusted to the cost of living. This 1.7% increase could go into effect immediately or within 30 days.
6. Resolution approving a proposal to raise the City of Cochran millage rate from 9.767 mills to 11.267 mills.
The third and last hearing will be from 6:30pm to 7:00pm. Citizens will have the opportunity to discuss and ask questions.
7. MOU between the City of Cochran and the Bleckley-Cochran Industrial Development Authority.
City Manager Richard Newbern is reviewing the MOU.
8. Ordinance setting forth an automatic adjustment clause for the City of Cochran's water, sanitary sewer, waste water, natural gas and solid waste.
This will allow the city to increase the rates in accordance with any increase represented by the Social Security Administration. Annual automatic increases shall not exceed 4% in any given year without specific approval of the City Council.
