Dear City of Cochran Utility Customer:

You can help less fortunate families who can't afford to heat their homes this winter through the Heating Energy Assistance Team (**HEAT**), a program that provides funds to help people pay their energy bills. Launched in 1983, **HEAT** is the oldest statewide fuel fund program in Georgia. All the money donated to **HEAT** is distributed by the Georgia Division of Family and Children Services. Over the past 33 years, more than \$23 million has been distributed to more than 97,000 families. Your gift now will allow **HEAT** to extend its reach even further.

Recipients of funds could be an elderly couple trying to get by on a fixed income; or a single parent with small children; or a family whose breadwinner is out of a job. You may donate online at **HEAT's** secured website – www.heatga.org – or complete and mail the attached form along with your tax-deductible donation in an envelope addressed to –

The need is overwhelming; therefore, if you are able to make additional contributions in the coming months, please do so. Please call HEAT at 678-406-0212 if you have questions. On behalf of others who will stay warm this winter because of your gift, thank you.

Sincerely,
