

Public Works Director

The City of Cochran is seeking applicants for the Public Works Director position.

The Director is responsible for supervision of the Street/Sewer & Water/Waste Treatment Plant Division.

The Director also serves as facilities manager and grounds maintenance supervisor for the City of Cochran.

Knowledge of engineering principles, public works operations, public utilities and heavy equipment is a requirement.

At least five years of progressive experience in local government public works operations or similar field is required, with at least three years of service as a supervisor.

Associates Degree preferred; acceptable combination of education and experience will be considered.

Applicants can submit completed applications to City Hall at 112 West Dykes Street Cochran, GA 31014, during regular business hours between 8:30 a.m-4:30 p.m., Monday-Friday except Holidays.

Position is open until filled.

City of Cochran is an Equal Opportunity Employer.
