The City of Cochran wishes everyone a safe and Merry Christmas Season! After Christmas, if you choose to discard your old Christmas tree at the curb, please place it neatly in the area where the limb truck can

pick-it-up.  Please keep it out of the road and away from sidewalks. Your old Christmas boxes and trash need to be placed in garbage carts. For those who live in apartments served by garbage dumpsters,

place your Christmas boxes  and trash neatly in the dumpster.

**Fire Chief Brock Wilcher**, would like to remind everyone, it's turning cold, keep heaters away from anything combustible. Use fireworks OUTDOORS in a clear area, away from buildings and vehicles. Do not wear loose clothing while using fireworks. Never re-light a "dud" firework. Do not stand over it to investigate, rather put water on it.

*City Hall and the staff would like to wish you a  
Happy and Prosperous New Year!*
