- Ability to establish and maintain cooperative relationships with fellow employees and the public.

Supervisory Controls: Work is assigned by Sergeants in terms of Fire department goals and objectives.

Guidelines: Guidelines include federal, state and local fire safety rules, regulations, policies, procedures and standards and Georgia Basic Firefighter course curriculum for Firefighter I.

Complexity: Work requires analysis and judgment in accomplishing diversified duties. Work requires the exercise of independent thinking within the limits of guidelines, policies, standards, and precedents.

Scope and Effect: The purpose of this position is to protect lives and property through fire suppression activities, fire prevention and safety activities, and education. Successful performance results in increased public safety and decreased property loss.

Personal Contacts: Contacts are typically with co-workers, fire and emergency victims, other emergency personnel, and the general public.

Purpose of Contacts: Contacts are typically to give and exchange information, resolve problems, and provide services.

Physical Demands: The work is typically performed while standing, walking, bending, crouching and stooping. The employee must frequently lift light and heavy objects, climb ladders, use tools and equipment requiring a high degree of dexterity, and able to distinguish between shades of color.

Work Environment: Most Firefighter work is performed in various indoor and outdoor settings including living quarters and office areas. Varying work schedules are required. Hazardous tasks performed under emergency conditions may require strenuous exertion under such handicaps such as limited visibility, exposure to hazardous or toxic chemicals or gases, extremes in

Job Title: Fire Fighter/First Responder (continued)

temperature, cramped surroundings, and contact with death, emotional stress, trauma, contagious disease and terminal illnesses. Firefighters are also exposed to extreme heat, contaminated environments, emotionally upset people, noise, physical hazards from traffic, fire and falling objects, and atmospheric conditions such as smoke, fumes, odors and gases. The employee may be required to wear a hard hat, safety glasses, ear plugs, respirator, rubber or plastic gloves and rubber boots.

Supervisory and Management Responsibility: None.

Minimum Qualifications:

High School diploma or equivalent; Associate's degree or two (2) years of college coursework preferred; possession of a valid Georgia driver's license (Class F) and a satisfactory motor vehicle record (MVR); pass employment physical and drug screen; acceptable criminal history; must complete and maintain a Basic Firefighter Certification course that is set forth by the Georgia Firefighters Standard and Training Council within one year of employment; must complete and maintain a First Responder Certification set forth by State of Georgia Department of Human Resources within one year; certification in Cardiopulmonary Resuscitation (CPR); equivalent combination of education and experience.
