All revenue bonds issued under the provisions of this Act shall have and are declared to have all the qualities and incidents of negotiable instruments under the laws of this state. Such bonds, their transfer, and the income therefrom shall be exempt from all taxation within this state.

The authority may sell such bonds in such manner and for such price as it may determine to be for the best interest of the authority. The authority may provide for the replacement of any bonds or coupons which shall become mutilated or be destroyed or lost.

**SECTION 13.**

Revenue bonds; conditions precedent to issuance.

Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, and things which are specified or required by this Act. In the discretion of the authority, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at any regular or special meeting of the authority by a majority of its members.

**SECTION 14.**

Credit not pledged.

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of the City of Cochran or Bleckley County nor a pledge of the faith and credit of said city or county; but such bonds shall be payable solely from the fund hereinafter provided for and the issuance of such revenue bonds shall not directly, indirectly, or contingently obligate said city or county to levy or to pledge any

form of taxation whatever therefor or to make any appropriation for their payment. All such bonds shall contain recitals on their face covering substantially the foregoing provisions of this section.

**SECTION 15.**

Trust indenture as security.

In the discretion of the authority, any issuance of such revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company inside or outside the state. Such trust indenture may pledge or assign fees, tolls, revenues, and earnings to be received by the authority. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the acquisition of property, the construction of the project, the maintenance, operation, repair, and insuring of the project, and the custody, safeguarding, and application of all moneys, and may also provide that any project shall be constructed and paid for under the supervision and approval of consulting engineers or architects employed or designated by the authority, and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other moneys be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the authority. Such indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by such indenture.

**SECTION 16.**

To whom proceeds of bonds shall be paid.

In the resolution providing for the issuance of revenue bonds or in the trust indenture, the authority shall provide for the payment of the proceeds of the sale of the bonds to any officer or person who, or any agency, bank, or trust company which, shall act as trustee of such funds and shall hold and apply the same to the purposes of this Act, subject to such regulations as this Act and such resolution or trust indenture may provide.

**SECTION 17.**

Sinking fund.

The revenues, fees, tolls, and earnings derived from any particular project or projects, regardless of whether or not such fees, earnings, and revenues were produced by a particular project for which bonds have been issued, unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the bonds or the trust instrument may provide. Such funds so pledged from whatever source received, including funds received from one or more or all sources, shall be set aside at regular intervals as may be provided in the resolution or trust indenture into a sinking fund which shall be pledged to and charged with the payment of:

- (1) The interest upon such revenue bonds as such interest shall fall due;
- (2) The principal of the bonds as the same shall fall due;

- (3) The necessary charges of paying agents for paying principal and interest and other investment charges;
- (4) Any premium upon bonds retired by call or purchase as provided in this Act; and
- (5) Any investment fees or charges.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or the trust indenture, any surplus moneys in the sinking fund may be applied to the purchase or redemption of bonds, and any such bonds so purchased or redeemed shall forthwith be canceled and shall not again be issued.

**SECTION 18.**  
Remedies of bondholders.

Any holder of revenue bonds issued under the provisions of this Act or any of the coupons appertaining thereto and the trustee under the trust indenture, if any, except to the extent the rights given in this Act may be restricted by resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of this state or granted under this Act or under such resolution or trust indenture and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by the authority or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, and other charges for the use of the facilities and services furnished.

**SECTION 19.**  
Refunding bonds.

The authority is authorized to provide by resolution for the issuance of bonds of the authority for the purpose of funding or refunding any revenue bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon and premium, if any. The issuance of such funding or refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the authority in respect to the same shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

**SECTION 20.**  
Validation.

Bonds of the authority shall be confirmed and validated in accordance with the procedure of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law." The petition for validation shall also make party defendant to such action the State of Georgia or any municipality, county, authority, political subdivision, or instrumentality of the State of Georgia which has contracted with the authority for the services and facilities of the project for which bonds are to be issued and sought to be validated, and the state or such municipality, county, authority, political subdivision, or instrumentality shall be required to show cause, if any exists, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court and the contract or contracts adjudicated as a part of the basis for the security for the payment of any such bonds of the authority. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to such bonds, and the security for the payment thereof and interest thereon and against the authority issuing the same and the state and any municipality, county, authority, political subdivision, or instrumentality, if a party to the validation proceedings, contracting with the Cochran/Bleckley Airport Authority.

**SECTION 21.**

Venue and jurisdiction.

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such authority shall be brought in the Superior Court of Bleckley County, Georgia; and any action pertaining to validation of any bonds issued under the provisions of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions.

**SECTION 22.**

Interest of bondholders protected.

While any of the bonds issued by the authority remain outstanding, the powers, duties, or existence of said authority or its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such bonds. No other entity, department, agency, or authority will be created which will compete with the authority to such an extent as to affect adversely the interest and rights of the holders of such bonds, nor will the state itself so compete with the authority. The provisions of this Act shall be for the benefit of the authority and the holders of any such bonds, and, upon the issuance of bonds under the provisions hereof, shall constitute a contract with the holders of such bonds.

**SECTION 23.**

Moneys received considered trust funds.

All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

**SECTION 28.**

Tax exemption.

It is found, determined, and declared that the creation of the authority and the carrying out of its corporate purpose is in all respects for the benefit of the people of this state and that the authority is an institution of purely public charity and will be performing an essential governmental function in the exercise of the power conferred upon it by this Act, and this state covenants with the holders of the bonds that the authority shall not be required to pay any taxes or assessments upon any of the property acquired or leased by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation or maintenance of the projects erected by it or any rates, fees, tolls, or other charges for the use of such projects or other income received by the authority, and that the bonds of the authority, their transfer, and the income therefrom shall at all times be exempt from taxation within this state.
